FIRE-ARMS CO'S  
Belt and Pocket Size Cartridge  
Revolvers.

These Pistols are loaded and discharged only four times—a degree of perfection not attained by any other arm. A full round can be loaded and discharged in thirty seconds. These arms have been adopted exclusively by the Revenue Service. Frosted circulars (with travel cuts) name prices, sent by mail.

Meerweis & Gray are also sole proprietors of the Ballard Branch-Loading Rifle and Cartridge. Their high character for Military and Sporting purposes is so well established that they do not only wish to know where they may be purchased. These Rifles were used by Captains Crawford and Smith on the Oregan Expedition to the mouth of the U. S. Government. The General Government and the State of Kentucky have ordered Twenty Thousand (20,000) new in field service, of which the highest recommendation is given.
